ORDER

The workman gets the relief of reinstatement into service w.e.f. 1st July, 1987 under the terms of settlement. The workman being satisfied with the relief of reinstatement he has not pressed his case under the reference. Hence no findings is recorded regarding justifiability or otherwise of the order refusing employment w.e.f. 1-2-1986. The Government be informed about the order, passed in the reference. No order as to costs.

Shri Atmaram B. Kerkar

V/s

M/s. Shridhar Krishnaji Gadekar

— Employer/Party II

Workman represented by Shri P. Ghodge, President of Goa, Shops and Industrial Workers Union.

Employer represented by Shri S. V. Cuncolienkar.

Panaji Dated: 5th September, 1988.

AWARD

This is a reference made by the Government of Goa, Daman and Diu by its order No. 28/47/83-ILD dated 23rd April, 1985 with an annexure scheduled thereto which reads as follows:

"Whether the action of the employer, M/s. Shridhar K. Gadekar and Company, Margao, Salcete-Goa in terminating services of Shri Atmaram B. Kerkar, Helper, w.e.f. 1-5-1979 is legal and justified.

If not, what relief the workman is entitled to?"

As per the above reference the question was whether the termination w.e.f. 1-5-1979 is legal or not. In his written statement in para No. 5 read with para No. 4 the party II employer had taken objection to the very reference on the ground that the workman had voluntarily abandoned his services and as such the above reference is bad in law, because the Government has failed to apply its mind before making the above reference to the Court. In view of this basic objection my predecessor framed the following issue as a preliminary issue.

Whether the Employer proves that this reference is bad in law for the reasons mentioned in para 5 read with para 4 of the written statement of the Employer?"

The above issue was framed on 16-9-1985 and the matter is being heard on preliminary issue only. It appears that the workman is not much interested in the matter and his labour consultant Shri P. Ghodge had also not shown any interest in the matter even though he was present when the matter was fixed for arguments before my predecessor on 4-12-1985 when Shri Cuncolienkar for the employer filed written arguments. Shri Ghodge took time to file written arguments and on 3-1-1986 both Ghodge and the workman remained absent and the matter was adjourned for passing the award. The matter was adjourned till 20-5-1986 for orders but no orders were passed and my predecessor went on superannuation.

After I took over fresh notices were served on the parties and on the appointed day i.e. 10-6-1988 neither the workman nor his representative Shri P. Ghodge remained present. Shri Cuncolienkar, however, argued the matter for the employer and the matter was adjourned. Thereafter Shri Ghodge took one adjournment and next sent one sicknote. On 2-9-88, the last date fixed, Shri Ghodge remained absent. Shri Cuncolienkar for the employer produced the authority of a Division Bench of Goa Bench of Bombay High Court in the case of Sitaram Shirodkar V/s. The Administrator, Govt. of Goa reported in 1985 1 LLJ Page 480. The workman is absent throughout, Shri Cuncolienkar Labour Consultant state that the workman who had met him had expressed that he was no more interested in the matter. All the same I have to dispose of the case according to law.

The preliminary issue is framed mainly because of the basic objection taken by the employer who had all along maintained that the workman voluntarily abandoned the services. According to him the same point was raised by him in the civil suit filed by the workman and subsequently before the Asstt. Labour Commissioner before whom the industrial dispute was raised. In view of this my predecessor by an order dated 21-4-1986 had directed the employer to produce the copy of the letter written by the conciliation Officer on 17-11-1983. The copy was produced on 14-5-1986. It appears from the copy that the workman had made out a case of oral termination w.e.f. 1-5-1979 but there is no other record supporting this, claim of oral termination. Hence there seems to be considerable force in the basic objection

raised by the employer. The authority of the Goa Bench relied by him is also on the point.

In the above case of Sitaram Shirodkar the management had said that it had not terminated the service but it was a case of voluntary abandonment. Still the Government made a reference to the Tribunal and the Tribunal held that the termination was illegal and unjustified and directed reinstatement. In the writ petition under article 226 of the constitution the Bench of the High Court observed that the Tribunal has just to consider whether there was termination and if so, whether the termination was just and legal. According to the Goa Bench the Tribunal could not travel beyond the reference and decide the question whether the workman had abandoned his services. Consequently the Goa Bench of the High Court quashed the Government Reference as it was bad in law. In view of the above authority it is directly on the point I hold that the reference is bad in law and answer the preliminary issue accordingly. In the result I pass the following order:

ORDER

While answering the preliminary issue it is hereby held that the Government reference is bad in law and the services of the workman were not terminated by the employer on 1-5-1979. As the reference is bad in law it is not necessary to answer the same to consider whether the action of the management is legal and justified.

The workman is not entitled to any relief in this reference.

There shall be no order as to costs.

Inform the Government accordingly on the finding of the reference.

Ref. No. IT/44/87

Smt. Gaurava Rammanar — Workman/Party I
V/s
M/s Panjim Municipal Council, Panaji. — Employer/Party II
Workman represented by Shri R. V. Gaitonde.
Employer represented by Adv. M. S. Bandodkar.

Panaji. Dated: 5-12-1988

AWARD

This is a reference made by the Govt. of Goa, by its order No. 28/6/87-ILD dated May 12, 1987 with an annexure scheduled thereto which reads as follows:

- "Whether the action of the Panjim Municipal Council in terminating the services of Smt. Gaurava Rammanar, Sweeper with effect from 13th May, 1986 is legal and justified.
- "Whether the action of the Panjim Municipal Council in not regularising the absence of Smt. Gaurava Rammanar, Sweeper, on account of sickness, is legal and justified.

If not, to what relief the workman is entitled to ?"

The above Government reference is one of the reference made on behalf of the employees of the Panjim Municipal Council. In this reference the workman whose services were terminated w.e.f. 13th May, 1986 states in her claim statement Exb. 2 that she was a permanent employee of the PMC and while she was so in service she did not join the duties for some period on account of sickness. According to her, she had produced the medical certificate on 20-2-1986, 13-3-1986 and 15-3-1986. According to her, in spite of her absence on valid grounds the PMC treated her absence as absence without permission and dismissed her from service. As against this, plea the PMC in her W.S. Exb. 3 contends that the workman continuously remained absent from 21st April, 1986 and there was no valid ground for remaining absent. As she remained absent till 13th May, 1986 her services were dismissed by a letter of even date. The PMC further states that there was a settlement between her and the Workers' Union wherein a settlement was arrived at on 3rd July, 1987. In that settlement the Union put forth the case of other workmen but dropped the case of this workman. According to the PMC the reference should be dropped on this count alone.

With these rival pleadings the parties went on trial and I framed the issues Exb. 5 on 2-5-1988. Thereafter the matter was adjourned from time to time and the workman continuously remained absent. Shri Gaitonde appearing for the workman took time to produce the workman on 16-6-1988, 27-7-1988, 29-8-1988, 26-9-1988, 24-10-1988 and lastly today. Today he filed a pursoris saying that the workman is no more interested in the matter and he has nothing to urge in the matter. Considering the case history it appears that the workman who had abandoned the job from 20-2-1986 initially produced medical certificates to substantiate her so called sickness, and from 21st April, 1986 she did not take any step to get leave sanctioned and inviting the penalty of the termination of the service, by letter dated 13th May, 1986. It appears that the workman who seems to be hailing from Karnataka indicated by her name is no more interested in the job. Considering the apathy shown by the workman to the services it has to be said that the action of the management that is administration of the PMC is just and proper and the action is legal. I do not find any substance in the plea of the workman and I pass the following order:

ORDER

It is hereby held that the action of the Panjim Municipal Council in not regularising the absence of the workman Smt. Gaurava Rammanar, Sweeper on account of sickness and thereafter terminating the services w.e.f. 13th May, 1986 is just and proper in the circumstances of the case and the same does not call for any interference. Consequently, the workman is not entitled to any relief in this Government reference.

Parties to bear their own costs.

Inform the Govt. accordingly about the passing of the award.
